Most orders are shipped the next business day. Estimated delivery times are listed here. Delivery may take longer for rural/remote locations or destinations outside of Canada.

Shipping Limitations Some products/orders are too large, fragile, or heavy to be shipped through the postal system. We will inform you if extra freight is required.

Taxes and Duties The applicable provincial taxes will be applied according to where the item will be shipped. Orders shipped outside of Canada are subject to import duties, taxes, and customs processing fees, which are levied once the package reaches its destination country. These fees are collected by the carrier or brokerage company, and members are responsible for paying them. MEC is unable to give estimates for these fees. Please contact your local customs office for more information.

Payment Canadian funds only. Make cheques payable to Mountain Equipment Co-op and write your member number on the cheque.
